Hello Community Member,

On Saturday, April 5th, 2025, West Side School and its fundraising group, the Felta Education Foundation (FEF), will be hosting our annual fundraiser, Felta Uncorked, at The Bishop's Ranch in Healdsburg. This is our most important event of the year to support the school's Enrichment Programs such as music, art, physical education & gardening. These celebrated programs have served students in the area since 1956, and today, many students from all over Sonoma County benefit from them.

We rely 100% on community fundraising to keep these celebrated programs going strong for our students. To continue this wonderful work, our **goal is to raise \$60,000 at this Spring gathering. To do this, we need your support!**

We hope that you will consider sponsoring our event! In exchange for your generous Sponsorship, your name or business will receive recognition in the school newsletter, on our website, publicly in local newspapers, and at the event itself. Of course, all donations are tax-deductible. **Every contribution makes a tremendous difference! May we count on your help in one of the following ways?**
