

A BENEFIT FOR WEST SIDE UNION SCHOOL DISTRICT

February 1, 2026

Hello Community Partner,

West Side Elementary School has a long tradition of nurturing creativity, curiosity, and confidence in our students. On Saturday, April 18, 2026, the Felta Education Foundation (FEF) will host *Uncorked* at The Bishop's Ranch in Healdsburg, our annual fundraising celebration in support of student enrichment at West Side Elementary School.

A cornerstone of *Uncorked* is our Live and Silent Auctions, which play a vital role in helping us fund the enrichment programs. We invite you to consider donating an item, experience, or service to this year's auction. We welcome donations of all kinds, including:

- Vacation stays or unique local experiences
- Art, merchandise, or specialty items
- Professional services or hosted events

Proceeds from the event directly support West Side's music, art, physical education, and gardening programs. These programs have enriched Sonoma County students' lives since 1956 and continue to support our community's children today.

West Side's enrichment programs have gained recognition well beyond our campus. Our art program created the viral "Peptoc Hotline," a student-led project that spread joy nationwide, and West Side was honored as a California Distinguished School in both 2023 and 2025, reflecting our commitment to academic excellence and whole-child education.

These offerings are made possible entirely through community generosity. Your contribution sends a powerful message to our students: that their community believes in them and their potential. All contributions are tax-deductible, and every gift, at every level, helps create meaningful opportunities for our students. Thank you for considering this invitation to partner with us.

With gratitude,

Felta Education Foundation
And the Parents and Students of West Side Elementary School
