

A BENEFIT FOR WEST SIDE UNION SCHOOL DISTRICT

February 1, 2026

Hello Community Partner,

West Side Elementary School has a long tradition of nurturing creativity, curiosity, and confidence in our students. On Saturday, April 18, 2026, the Felta Education Foundation (FEF) will host *Uncorked* at The Bishop's Ranch in Healdsburg, our annual fundraising celebration in support of student enrichment at West Side Elementary School.

Uncorked is more than a fundraiser; it is a celebration of community and a vital investment in the future of our children. Proceeds from this event directly support West Side's beloved Enrichment Programs, including music, art, physical education, and gardening. These programs have been enriching students' lives since 1956, helping them learn not only academics but also creativity, collaboration, and confidence.

West Side's enrichment programs have gained recognition well beyond our campus. Our art program created the viral "Peptoc Hotline," a student-led project that spread joy nationwide, and West Side was honored as a California Distinguished School in both 2023 and 2025, reflecting our commitment to academic excellence and whole-child education.

These offerings are made possible entirely through community generosity. This year, our goal is to raise \$60,000 to ensure these experiences remain strong, accessible, and inspiring for every student. We warmly invite you to consider becoming an Event Sponsor. In appreciation of your generosity, your business or family will be recognized throughout the community: at the event, in school communications, and online. Most importantly, your support sends a powerful message to our students: that their community believes in them and their potential.

All contributions are tax-deductible, and every gift, at every level, helps create meaningful opportunities for our students. Thank you for considering this invitation to partner with us.

With gratitude,

Felta Education Foundation
And the Parents and Students of West Side Elementary School
